

WoodHaven

Stone Polymer Composite Click | 5 mm (4 + 1 mm)

Stage for Life

LX Hausys is one of the world's leading providers of building and decorative materials. For more than 70 years, we've been producing high performance flooring products using the latest advanced manufacturing techniques to create eco-conscious and human-friendly resilient flooring solutions.

With a wide variety of natural wood and stone abstract looks in numerous format and installation options, HFLOR offers a multitude of design and installation capabilities, enabling expansive expression and creativity. Whether you're looking for a floor to grace your home, professional space or commercial environment, we're certain we have the perfect selection for your needs, engineered with precision.

Locally Stocked

HFLOR WoodHaven products are locally stocked and readily available at our Central Distribution Center (CDC) in Adairsville, GA. Our team is always ready to assist you with your needs.
